PART B. TO BE COMPLETED BY THE RECOMMENDER

In an effort to increase the number and quality of science teachers in high need school districts, the NSF has funded the Robert Noyce Scholars Program. As a Noyce host, CSU Fullerton is able to award full scholarships to qualified science majors who plan on earning a teaching credential in mathematics or science. In return for the funding, scholars agree to teach two years in a high needs school district for each full year of support. The person named above is applying for admission to this program, and has identified you as a recommender. We would appreciate your opinion of the applicant.
